3. The Board next considered a request from [REDACTED] that he be removed from CIARDS and returned to participation in the Civil Service Retirement System. [REDACTED] who is 58 years of age, has completed only 46 months of overseas service. He desires this transfer in order that he might retire under the CS System prior to his 60th birthday. Also, it does not appear that he will complete the additional 14 months of qualifying service for CIARDS. This request was concurred in by the Director of ELINT and the DD/S&T. The Board recommended that [REDACTED] request be approved.

4. The next case was the Fifteenth Anniversary Review of [REDACTED] 25X1A9a [REDACTED] who will complete 15 years of Agency service on 24 September 1971. [REDACTED] has completed 59 months and 14 days of verified overseas service. The Administrative Officer, ONE recommended that [REDACTED] be retained in CIARDS and they project that he will have sufficient qualifying service within the near future since his job requires periodic travel. The Board recommended that action on this request be deferred until September 1971 and that ONE be advised that should an opportunity for TDY travel occur that [REDACTED] be given a chance to perform this travel. This case will be scheduled for Board action in September 1971.
